About Us

KIFAYAT GLOBAL ENERGY LIMITED is an indigenous service provider in the Oil and Gas Industry in Nigeria. It was incorporated as a limited liability company in Nigeria in 2015 to carry on the business of Engineering (EPC), Civil Construction, Pipeline Services, Procurement, Logistics, It also involved in the business of Marketing, Supply and Trading of Crude Oil and Petroleum Products (Offshore/Onshore). Under the hands-on directorship of the original founder and propelled forward by a highly motivated and committed management team, the name company has indeed become synonymous, providing those in the Oil & Gas as well as Logistics service what they require. This is further enabled by the proper deployment of good corporate governance and risk management practices.

In fulfilling Our Vision, **KIFAYAT GLOBAL ENERGY LIMITED** shall continue to build and improve the capacity of the communities We operate in. These Communities will be engaged in activities that ensures Growth and Economic development. We provide safe and reliable transportation of fully containerized freight throughout the Nigeria sea regions. together with our drivers, we are constantly working to ensure that we are moving freight in a safe, responsible and sustainable way, We can meet the clients increasingly complex requirements with competitive practical solutions.

About us/ **Why Us?**

KIFAYAT GLOBAL ENERGY LIMITED is an Oil & Gas and Logistics company based in Edo, Kogi and Delta, Nigeria. Is a privately owned and operated corporation since 2017, from a small business to a fully matured domestic and International Logistics Business.

Today the company has the staff capacity of over 80 employees ranging from; Offshore back office, Acres of land, Loading Docks equipped with platforms, offices, agents, facilities and warehousing in all major Nigeria ports.

The company which, in its early years, focuses mainly on the booming Post-Soviet market, unlike many others, understood the importance of business differentiation and re-invested the profits into development of truly international and differentiated business.

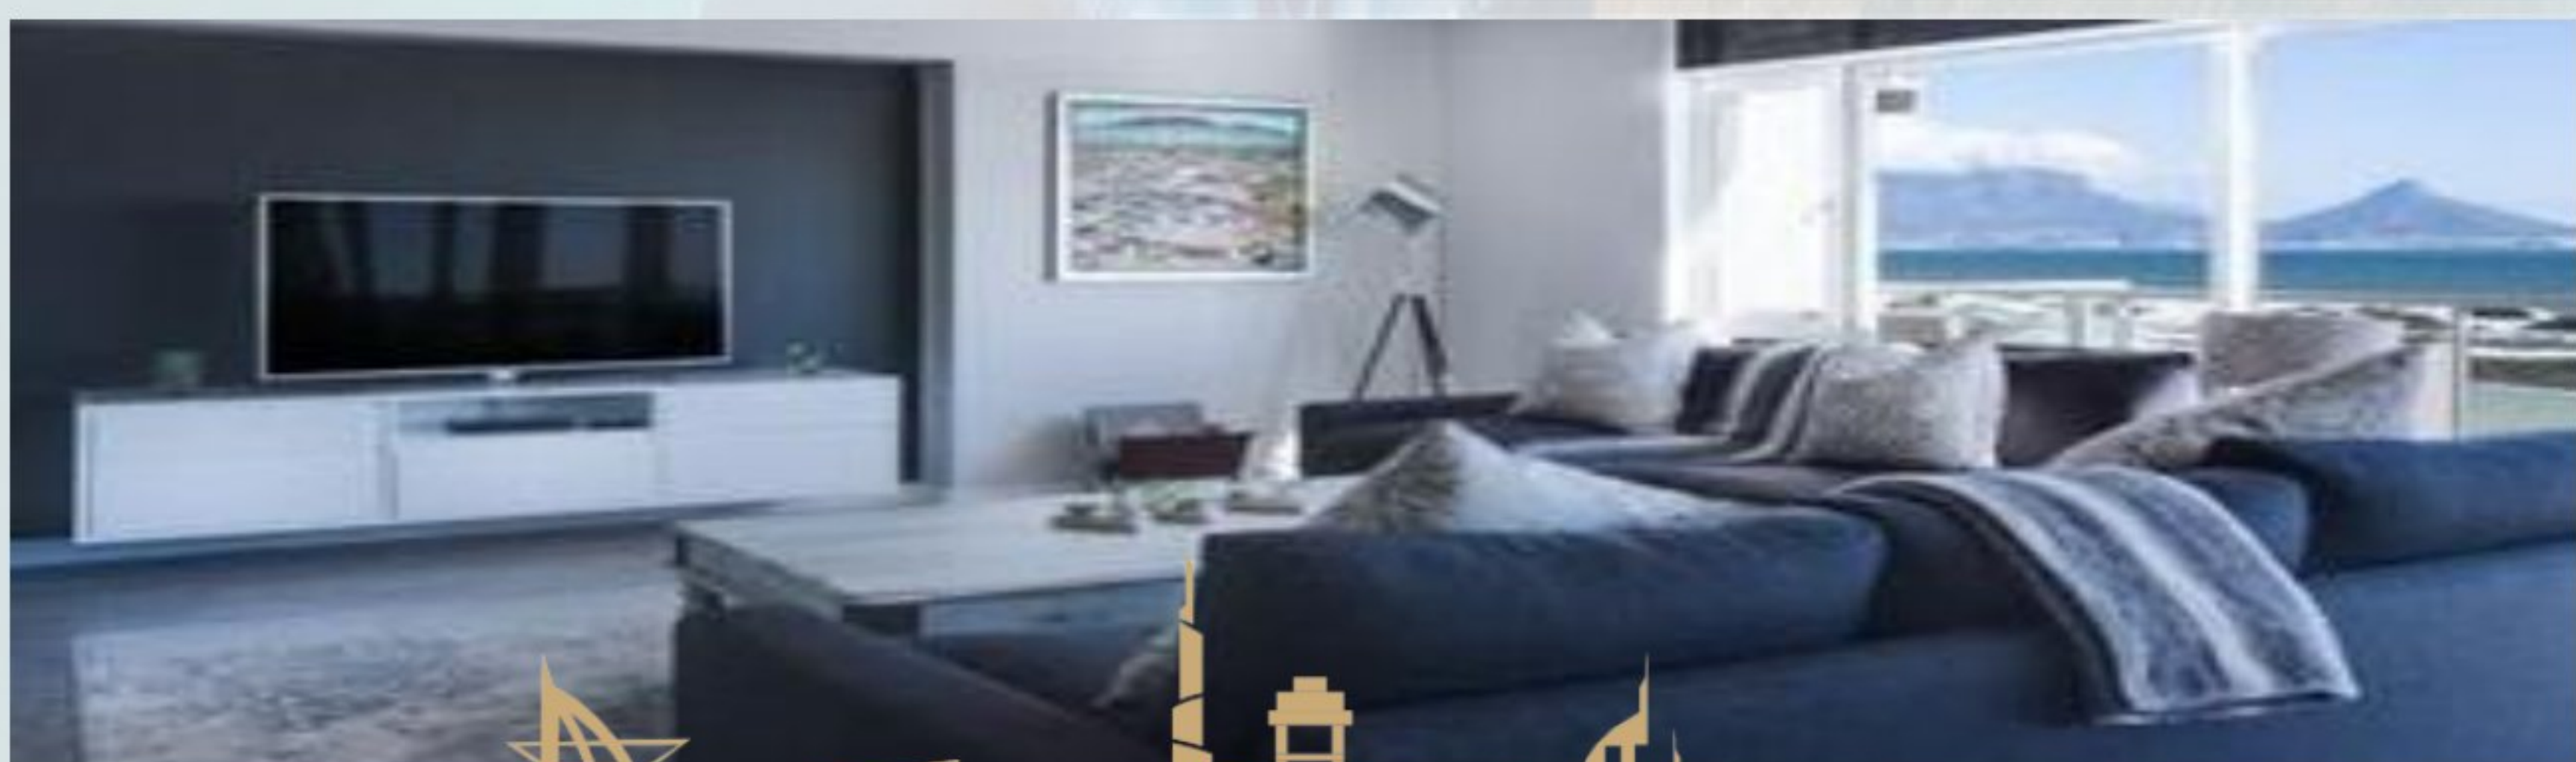

KIFAYAT GLOBAL ENERGY LIMITED provides a range of Oil & Gas related services in Nigeria including logistics, offering support to the oil and gas industry as it seeks to identify and develop alternative offshore energy resources.

With the support of our technical partners, we have access to modern and technologically advanced fleet which makes us well equipped to transport drilling materials and equipment, emergency supplies and personnel to offshore facilities, as well as moving and situating drilling structures.

In an industry as robust as the Oil and Gas industry with its continually developing technology and standards of best practice, working with our associates, we are committed to operating a modern marine coupled with a dedication to maintaining an unmatched safety culture and ensuring that Afro Tex provides a service that is unrivalled in the industry.

We support Oil and Gas field developments and operations in Nigeria with various vessel.

MISSION

Our Mission is to provide outstanding value to our shareholders and stakeholders by reducing costs, enhancing operational efficiency, and prioritizing safety. Most importantly, we strive to deliver exceptional value as a responsible corporate citizen of the Federal Republic of Nigeria, while also demonstrating exceptional stewardship to our host communities. We are dedicated to make a positive impact and being a valuable contributor to both our shareholders and the communities we serve.

VISION

Our Vision is to become a comprehensive Oil & Gas solutions company. We want to create an environment where our teams can foster a one-of-a-kind corporate culture, where every individual is valued and contributes to our overall success. Additionally, we aim to harness the energy of our talented people and the environment, striving to be a world-class company that excels in resource management, sustainability, safety, and profitability. It's an exciting vision, and we are committed to making it a reality. Consistently delivering a quality service along with a commitment to always provide competitive and fair pricing”

One of leading provider of integrated Oil & Gas solutions in Nigeria.	Diverse portfolio of services that provide complete turn key solutions to the clients	With years of experience delivering unflinching solutions to clients in Nigeria.	Customer Relations Centre provides 24/7 support to our clients in Nigeria.

CORE VALUES

EXCELLENCE

Excellence is at the core of our values. We are fully dedicated to delivering excellence in every aspect of our work.

Our goal is to achieve operational and service excellence by constantly refining our processes, investing in the development of our employees, and staying ahead of industry advancements. We are always pushing ourselves to be the best we can be.

INTEGRITY

Absolutely! Integrity is a fundamental value for us. We hold ourselves to the highest standards of honesty, transparency, and ethical conduct in everything we do. We believe in doing the right thing, even when no one is watching.

Maintaining our integrity is crucial to building trust with our stakeholders and ensuring long-term success. It's a core principle that guides us every step of the way.

SAFETY

Absolutely! Safety is our top priority. We are fully committed to ensuring the safety of our team members, our operations, and the communities we serve.

We have robust safety protocols in place, and we continuously strive to improve and enhance our safety measures.

It's all about creating a safe and secure environment for everyone involved. Safety first, always.

COLLABORATION

Collaboration is incredibly important to us. We truly value the power of partnerships and understand the benefits they bring. We work closely with our clients, suppliers, and industry stakeholders to build strong relationships and achieve shared goals. By working together, we can accomplish so much more and create mutually beneficial outcomes. Collaboration is the key to success.

INNOVATIVE

We're all about innovation and fostering a creative culture. We love exploring new technologies, methodologies, and solutions to enhance efficiency, promote sustainability, and continuously improve our services. By staying open to fresh ideas and thinking outside the box, we are able to stay ahead of the curve and deliver even better results. Innovation is key to our success.

SUSTAINABILITY

Absolutely! We're fully committed to sustainability and environmental responsibility.

Our goal is to minimize the environmental impact of our operations by promoting energy efficiency and supporting the transition to cleaner and renewable energy sources. We believe in doing our part to protect our planet for future generations. Together, we can make a positive difference.

OUR PHILOSOPHY

The **KIFAYAT GLOBAL ENERGY LIMITED** philosophy is to ensure every interaction with a customer will help create a pleasant experience for their team members, their customers and their visitors. We are fully committed to our customer's Safety and corporate needs, which allows our customers to concentrate on their business.
